

Privacy Statement	
We are committed to protecting your privacy online. The following privacy policy explains what information we or our web site host provider gathers about you, and what it is used for.	
Information	
When you sign up to use our web site and services, we need to know your name, email address, company name if applicable, mailing address, a home phone and other information set out in our application of use. We need this information to determine if you are a qualified user as set out by government agencies.	
Use of information	
We do not disclose any personally identifiable information about you, such as your name, mailing address, email address or telephone number, to any third party except where necessary to government agencies. We use the information that we collect to improve our marketing and know our client efforts.	
We will use your email address and if need be your mailing address or phone number to contact you regarding administrative or product issues and about any change in the function(s) of our products.	
We may also store the information that we gather from you in a file along with any email or other written correspondence that we have had with you. This information may be used to enforce our terms of service, to resolve legal matters or enforce site security.	
Cookies	

Our web site host uses cookies to track information a host web site, a cookie is created. The only information that this cookie displays is where you came from. For example, if you found the web site from a search engine, the cookie will tell us from which search engine. Cookies are small packets of information that are sent from a web server to your browser, and then stored on your hard drive. Many of the newer browsers allow you to turn cookies "off." This means that when you visit a site that sets cookies, your computer will not accept it.

Our web host uses cookies but we do not use cookies, to track where visitors are coming from. They look at which search engines, directories, and other web sites are bringing the most traffic to the host's site. He then takes this information to fine tune his web marketing services efforts.

Disclosure

We and our host will not intentionally disclose any information about any individual user except to comply with applicable law or valid legal process, or to protect the personal safety of our users or the public. Our host may disclose any information about their users under special circumstances that include but are not limited to complying with the law, or assisting in rectifying an unjust doing.

Changing Info

We encourage you to update your personal information to us regularly. You can update your personal information by visiting the application button of our web site.

We strongly recommend that you limit the access to your password as much as possible. If possible do not disclose your password to anyone. You will be held liable for any and all activity that may occur as a result of you losing your password. Therefore, if you feel that your password has been compromised, you should immediately contact manager@perpetuity.com.

Banner Ads
The web hosts 404 Not Found page works with a third party that serves ads to this site. To find out more about how Flycast manages the privacy of information in conjunction with serving ads on this site, please go to http://www.engage.com/privacy/site_privacy.cfm .
Questions
By using our web site, you approve of the collection and use of your information by us and our web host. If at any time, we change our privacy policy, we will post those changes here. Should you have any questions about your privacy, please send e-mail to manager@perpetuity.com .
